

# Rainbow Connection

Paul Williams

Why are there so many songs about rainbows  
And what's on the other side  
Rainbows are visions, but only illusions  
And rainbows have nothing to hide  
So we've been told and some choose to believe it  
I know they're wrong, wait and see  
Someday we'll find it, the rainbow connection  
The lovers, the dreamers and me  
Who said that every wish would be heard and answered  
If wished on the morning star  
Somebody thought of that and someone believed it  
Look what it's done so far  
And what's so amazing that keeps us stargazing  
And what do you think we might see  
Someday we'll find it, the rainbow connection  
The lovers, the dreamers and me  
All of us wonder its spell  
We know that it's probably magic  
Have you been half asleep, and have you heard voices  
I've heard them calling my name  
Is this the sweet sound that calls the young sailors  
The voice might be one in the same  
I've heard it too many times to ignore it  
It's something that I'm supposed to be  
Someday we'll find it, the rainbow connection  
The lovers, the dreamers and me
