

# Disappear

Mikky Ekko

Every time I close my eyes  
I feel like I want autumn back  
oh, every time I close my eyes  
I want to fall back into youwhoa, so long  
fresh breath of innocence  
so long to the life we used to know  
cause every time I close my eyes,  
I want to disappear with youYeah and I hope you want to disappear too  
Stay,  
And come out of the rain  
colder as the years go on  
warm yourself againYeah, alone, the sun is sinking  
colder as the years go on, oh warm yourself again  
Ooh, so long  
fresh breath of innocence  
so long to the life we used to know  
cause every time I close my eyes,  
I want to disappear with you  
Yeah and I hope you want to disappear too  
I hope you want to disappear too  
I hope you want to disappear(whoa)  
Every time I close my eyes  
Every time I close my eyes  
I want to disappear with youand I hope you want to disappear too  
I hope you want to disappear too  
I hope you want to disappear
