Writing's On the Wall

Plan B

've been here before But always hit the floor I've spent a lifetime running And I always get awayBut with you I'm feeling something That makes me want to stay I'm prepared for this I never shoot to missBut I feel like a storm is coming If I? m gonna make it through the day Then there's no use in running This is something I gotta faceIf I risk it all Could you break my fall? How do I live? How do I breathe? When you're not here I'm suffocating I want to feel love, run through my blood Tell me is this where I give it all up? For you I have to risk it all Cause the writing's on the wall A million shards of glass That haunt me from my past As the stars begin to gatherAnd the light begins to fade When all hope begins to shatter Know that I won't be afraid If I risk it allCould you break my fall? How do I live? How do I breathe? When you're not here I'm suffocating I want to feel love, run through my blood Tell me is this where I give it all up? For you I have to risk it all Cause the writing's on the wall The writing's on the wallHow do I live? How do I breathe? When you're not here I'm suffocating I want to feel love, run through my blood Tell me is this where I give it all up? How do I live? How do I breathe? When you're not here I'm suffocating I want to feel love, run through my blood Tell me is this where I give it all up? For you I have to risk it all Cause the writing's on the wall
