

# Nwa Baby

David

Locked up, they won't let me out  
Baby girl  
My baby dey wear the spaghetti  
She said if you want it, you can get it  
And I say, ah baby baby (Damn, fresh on the beat)Shey you wan put me for trouble  
What is my, what is my crime?  
Buy you don thief my, don thief my heart  
What if I, what if I die?  
You must be a bomb o, you blow my, you blow my mind  
No be my, no be my mind  
But you don change my, don change my plan  
I was locked up, they won't let me out, but you let me out  
That shit you did was fucked up,
