Yeah  
(Definitely, definitely, definitely, dope, definitely, definitely K-mart)  
Yeah, yeah You find me offensive, I find you offensive  
For finding me offensive  
Hence, if I should draw the line on any fences  
If so to what extent  
If at any should I go  
'Cause it's getting expensive  
Being on the other side of the courtroom on the defensive  
They say I cause extensive  
Psychological nerve damage to the brain when I go to lengths this,  
Far at other peoples' expenses  
I say you're all just too goddamn sensitive  
It's censorship  
And it's down right blasphemous  
Let's end this shit now 'cause I won't stand for this  
And Christopher Reeves won't sit for this neither  
And let's clear this up too I ain't got no beef with him either  
He used to be like a hero to me  
I even believe I had one of those 25 cent stickers on my refrigerator  
Right next to Darth Vader  
And Darth must have put a hex on him for later  
I feel like it's my fault 'cause of the way that  
I stuck him up in between him and Lex Luthor  
I killed Superman, I killed Super--man  
And how ironic, that I'd be the bad guy  
Kryptonite: The Green Chronic 'Cause I ain't got no legs! Or no brain, nice to meet you  
Hi, my name is...  
I forgot my name!  
My aim was not to become what I became with this level of fame  
My soul is possessed by this devil my new name is...  
Rain Man  
Now in the Bible it says  
Thou shalt not watch two lesbians in bed,  
Have homosexual sex  
Unless, of course, you were given the consent to join in  
Then, of course, it's intercourse  
And it's bi-sexual sex  
Which isn't as bad, as long as you show some remorse for your actions  
Either before, during or after performing the act of that which  
Is normally referred to have such, more commonly known phrases  
That are more used by today's kids

In a more derogatory way but  
 Who's to say, what's fair to say, and what not to say?  
 Let's ask Dr. Dre  
 Dr. Dre? (What up?)  
 I gotta question if I may? (Yeah)  
 Is it gay to play Putt-Putt golf with a friend (Yeah)  
 And watch his butt-butt when he tees off? (Yeah)  
 But, up I ain't done yet  
 In football the quarterback yells out hutt-hutt  
 While he reaches in another grown man's ass  
 Grabs on his nuts but just what if it was never meant it was just an accident  
 But he tripped, fell, slipped and his penis went in  
 His teeny tiny little round hiney and he didn't mean it  
 But his little weenie flinched just a little bit  
 And I don't mean to go in into any more details but  
 What if he pictured it as a females butt?  
 Is that gay? I just need to clear things up 'Til then I'll just walk around with a manly strut  
 because... You find me offensive, I find you offensive  
 Shit, this is the same verse I just did this  
 When am I gonna come to my good senses?  
 Probably the day Bush comes to my defenses  
 My spider sense is telling me Spiderman is nearby  
 And my plan is to get him next  
 And open up a whip-ass canister  
 Goddamn it Dre where's the god damn beat? (Yeah)  
 Anyway, anyway I don't know how else to put it  
 This is the only thing that I'm good at  
 I am the bad guy, Kryptonite: The Green Chronic  
 Demonic, yep yep, don't worry I'm on it  
 I got it, high five Nick Lachey  
 Stuck a pin in Jessica's head and walked away  
 And as she flew around the room like a balloon  
 I grabbed the last can of chicken tuna Out the trash can and zoom  
 I headed straight back to the Neverland Ranch  
 With a peanut butter, jelly, chicken, tuna sandwich  
 And I ain't even gotta make no god damn sense  
 I just did a whole song and I didn't say shit Cause IIIAAAAAAAAAHHHHHHHHAHAHAHA  
 AAAAAHAHHHHHHHHHH  
 Yo, Rain Man  
 Definitely, definitely Dr. Dre super dope beat maker two thousand and  
 Two thousand four hundred and eighty seven million  
 Nine hundred and seventy three thousand four hundred and sixty three  
 And seventy (Yeah)
