

Valentine

Rock Star Supernova

Slowly I lift up the blinds
Another day away
Further from watching your lines
Say what they wanted to say
Again So the chance pass us by
'Cause I can't seem to open your eyes
If you could see how this hurts
To feel only words [Chorus:]
Dangerous, wonderful
I'm so invisible
Can you build me just to break me
At last
Caged like an animal
This is so predictable
Are you falling
'Cause I'm falling so bad
Slowly you crept up behind
I wanted you to stay
Hiding the sex in your mind
Staring while they look away
Look away So the chance pass us by
'Cause I can't seem to open your eyes
If you could see how this hurts
To feel only words Dangerous, wonderful
I'm so invisible
Can you build me just to break me
At last
Caged like an animal
This is so predictable
Are you falling
'Cause I'm falling so bad
Talk to me So the chance pass us by
'Cause I can't seem to open your eyes
If you could see how this hurts
To feel only words Dangerous, wonderful
I'm so invisible
Can you build me just to break me
At last
Caged like an animal
This is so predictable
Are you falling
'Cause I'm falling so bad Dangerous, wonderful

I'm so invisible
Can you build me just to break me
At last
Caged like an animal
This is so predictable
Are you falling
'Cause I'm falling so bad
