

# Kill Your Idols

## Static-X

Cosmetic photogenic  
This pain is fleeting, ring out  
Mechanical the passion  
Your head is bleeding, slow down  
Cosmetic photogenic  
This pain is fleeting, ring out  
Mechanical the passion  
Your head is bleeding, slow down  
Can't keep doing this  
What you want me to  
Marching sheep herd said  
"See my broken head"  
Live your own life  
I got myself  
Out of my sight  
Kill your idols  
Live your own life  
I got myself  
Out of my sight  
Kill your idols  
It's ugly, you see  
I don't care what you think now  
Forgive me, forget  
Don't take the east way out  
It's ugly, you see  
I don't care what you think now  
Forgive me, forget  
Don't take the east way out  
Can't keep doing this  
What you want me to  
Marching sheep herd said  
"See my broken head"  
Can't keep doing this  
What you want me to  
Marching sheep herd said  
"See my broken head"  
Live your own life  
I got myself  
Out of my sight  
Kill your idols  
Live your own life  
I got myself  
Out of my sight  
Kill your idols  
Can't keep doing this  
What you want me to  
Marching sheep herd said  
"See my broken head"  
Live your own life  
I got myself  
Out of my sight  
Kill your idols  
Live your own life

I got myself  
Out of my sight  
Kill your idols Marching sheep herd said  
"See my broken head" Live your own life  
I got myself  
Out of my sight  
Kill your idols Live your own life  
I got myself  
Out of my sight  
Kill your idols  
Kill your idols
