

# Open Hands (feat. Trent Dabbs)

[Ingrid Michaelson](#)

Nobody wants to be the only one left standing  
Nobody wants to be the only one to understand  
And now I see the way that you're leaving  
Without me Now grow up and drift away  
No toy can hold you out  
Go call it up  
The sound goes...  
Open hands are hard to hold on to anyway  
Anyway  
Anybody wants to make the one live forever  
And nobody wants to be the only one who feels the pain  
And now I see the way that you're leaving  
Without me Now grow up and drift away  
No toy can hold you out  
Go call it up  
The sound goes...  
Open hands are hard to hold on to anyway  
Anyway, anyway, anyway  
Now grow up and drift away  
No toy can hold you out  
Go call it up  
The sound goes...  
Open hands are hard to hold on to anywhere  
Anyway, open hands are hard to hold on to anyway  
Anyway, open hands are hard to hold on to anyway  
Anyway, anyway, anyway
