

Don't Water Down My Whiskey

Alex Roe

(Verse 1)

Baby, I ain't easy
But I'm the spark inside your gun
You might think I'm crazy
You ain't the only one I'm gasoline sittin' on a powder keg
You gonna strike a match, you gonna start a flame
Right now

Baby I ain't ever gonna change

(Chorus)

Don't water down my whiskey
Baby, can't you see that I'm 100 proof?
I'm a shotgun cocked back
'68 flashback
Yeah, don't water down my whiskey
Baby, you can't stop this train from pushin' through
I ain't got no regrets

What you see is what you get

Don't water down my whiskey (Verse 2)

Now, I ain't no demon

But I know how to raise some hell

That firestorm you're feelin'

I ain't nothin' like you've ever felt I'm Tennessee strong and I'm shootin' straight

And if you know jack, you know I ain't no slave

And all I got left to say

(Chorus)

Don't water down my whiskey
Baby, can't you see that I'm 100 proof?
I'm a shotgun cocked back
'68 flashback
Yeah, don't water down my whiskey
Baby, you can't stop this train from pushin' through
I ain't got no regrets

What you see is what you get

Don't water down my whiskey (Bridge)

Like whiskey in your cup

Baby, I'm straight-up

Like whiskey in your cup

Baby, I'm straight-up

Like whiskey in your cup

Yeah, baby, I'm straight-up

Like whiskey in your cup

Baby, I'm straight-up (instrumental break) (Chorus)

Don't water down my whiskey
Baby, can't you see that I'm 100 proof?
I'm a shotgun cocked back
'68 flashback
Yeah, don't water down my whiskey
Baby, you can't stop this train from pushin' through
I ain't got no regrets
What you see is what you get
Don't water down my whiskey
Don't water down my whiskey
Don't water it down, baby
Don't water it down
Don't water down my whiskey
