

# Crush On You

Nero

How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you  
How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush, crush, crush, crush  
How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you  
How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush, crush, crush, crush  
How did you kn.  
You found out  
How did you kn.  
I've got a crush, crush, crush, crush  
How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you  
How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you  
How did you know 'cause I never told

You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you You must have heard it from my best friend  
She's always talkin' when she should be listenin'  
Can't keep a secret to save her life  
But still I trusted her with all I felt inside  
I never knew, a rumor could spread so fast  
'Cause now the word is out all over town  
That I'm longing for you How did you kn.  
You found out  
How did you kn.  
You found out  
I've got a crush on you How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you
