

Chocolate

Snow Patrol

This could be the very minute
I'm aware I'm alive
All these places feel like home With a name I'd never chosen
I can make my first steps
As a child of 25 This is the straw, final straw in the
Roof of my mouth as I lie to you
Just because I'm sorry doesn't mean
I didn't enjoy it at the time.
You're the only thing that I love
Scares me more every day
On my knees I think clearer Goodness knows I saw it coming
Or at least I'll claim I did
But in truth I'm lost for words
What have I done? It's too late for that
What have I become? Truth is nothing yet A simple mistake starts the hardest time
I promise I'll do anything you ask, this time.
