

Love Letters

Nat "King" Cole

VERSE:

The sky may be starless,
The night may be moonless,
But deep in my heart there's a glow.

For deep in my heart
I know that you love me.

You love me because you told me so. CHORUS:

Love letters straight from your heart
Keep us so near while apart.

I'm not alone in the night
When I can have all the love you write.

*I memorize ev'ry line,
I kiss the name that you sign.

And, darling, then I read again right from the start

Love letters straight from your heart. (Instrumental interlude and pick up from *.)

I memorize ev'ry line,

I kiss the name that you sign.

And, darling, then I read again right from the start

Love letters straight from your heart.
