

Won't Stop

OneRepublic

Uh ohh
Now i stared at you
From across the room
Until both my eyes were faded
I was in a rush
I was out of luck
Now I'm so glad that I waited
Well you were almost there
Almost mine... yeah
They say love ain't fair
But I'm doing fine...
Cause i swear it's you
I swear it's you
I swear it's you that I've waited for
I swear it's you
I swear it's you
I swear it's you that my heart beats for
And it isn't gonna stop
No it just won't stop
Uh oh ohYeahNow you were fine by night
But when the morning light comes
Comfortable as rain on Sunday
And I'm a lucky soul
That holds your hand so tight
Hope you hear this one day
Don't fool yourself
This is my truthI swear it's you
I swear it's you
I swear it's you that i waited forI swear it's youI swear it's you
I swear it's you that my heart beats for
And it ain't gonna stop
It just won't stopYou take this hand
You take this heart
Steal my bones
From 1000 miles apartFeels so cold
Felt just like its ten shades of winter
And i need the sun
Ohh yeahh
Oh oh no no yeah yeahAnd i swear it's you
I swear you
I swear it's you that it waited for
I swear it's you

I swear its you
I swear it's you that my heart beats for
I swear it's you
I swear it's you
I swear it's you that I've waited for
I swear it's you
I swear it's you
I swear it's you that my heart beats for
And it ain't gonna stop
It just won't stop
Heyy yeahh
It just won't stop It just won't stop
No no no no woahh yeah
I swear it's you
I swear it's you
Ohh yeah
