Everything I Need

Kutless

When every step is so hard to take And all of my hope is fading away When life is a mountain that I cannot climb You carry me, Jesus carry meYou are strength in my weakness And You are the refuge I seek You are everything in my time of need You are everything, You are everything I needWhen every moment is more than I can take And all of my strength is slipping away When every breath gets harder to breathe You carry me, Jesus carry me You are strength in my weakness And You are the refuge I seek You are everything in my time of need You are everything I needYou, You are everything I need I love everything about You You are strength in my weakness You are the refuge I seek You are everything in my time of need You are everything, You are everything You are strength in my weakness And You are the refuge I seek You are everything in my time of need You are everything, You are everything I need
