

# AC/DC (Live 1976)

## The Sweet

She got girls, girls all over the world  
She got men every now and then  
But she can't make up her mind  
On just how to fill her time  
But the only way she can wind A. C. D. C.  
She's got some other lover as well as me  
A. C. D. C.  
She's got some other women as well as me  
She's got some other women as well as me She's got phone but they call her a bump  
She got sick you wanna see her dingling  
Well let's be in it together  
I'll guess she'll be in it forever  
You've got to take it now and ever  
A. C. D. C.  
She's got some other lover as well as me  
A. C. D. C.  
She's got some other women as well as me  
She's got some other women as well as me She got girls, girls all over the world  
She got men every now and then  
But she can't make up her mind  
On just how to fill her time  
The only way she can unwind A. C. D. C.  
She's got some other lover as well as me  
A. C. D. C.  
She's got some other women as well as me  
She's got some other women as well as me  
She's got some other women as well as me  
A. C. D. C.  
Some other woman as well as me  
A. C. D. C.  
Some other woman as well as me  
A. C. D. C.  
Some other woman as well as me
