

# CHARLIE (feat. SMILEZ)

## 6ix9ine

[6ix9ine:]

Ray Charles, I ain't never seen a bitch I need  
Fuck that, I don't need no skis  
It's so many rich niggas fuckin' bitches for free  
If a nigga want pussy, make him pay that fee  
I don't want it at all pussy, bitch, gimme some money  
I don't need no lovin'  
Come on, throw that pussy on the block  
Make a nigga a hunnid  
Make that pussy pop like it's a shove it, gansta

[Smilez:]

Fendi kicks all yellow, fit so rude  
Never wife a thot 'cept you (Nope)  
Bad decisions every single time I choose (My name is Smilez)  
My name is Smilez 'cause I laugh at you  
Ex-bitch unless you goin' back to dancin' (Dumb ho)  
She on some OnlyFans shit (Yeah)  
New girls'll model like vogue cop fashion (Damn right)  
Nip slip like Janet Jackson  
Yeah, she think she got me trickin', but she dead wrong  
But she fuck like a machine, call her Megatron  
When she ask for the bread (Danny Phantom), gon' ghost  
Only fuck a bitch if a mask on
