I'm Always Here

Jimi Jamison

Some people stand in the darkness Afraid to step into the light Some people need to help somebody On the edge of surrenders insideDon't you worry, it's gonna be alright 'cause I'm always ready I won't let you outta my sight(I'll be ready) I'll be ready (Whenever you fear) oh don't you fear (I'll be ready) Forever and always, I'm always here In us we all have the power But sometimes it's so hard to see And instinct is stronger than reason It's just human nature to meDon't you worry, it's gonna be alright 'cause I'm always ready I won't let you outta my sight(I'll be ready) I'll be ready (Whenever you fear) oh don't you fear (I'll be ready) Forever and always, I'm always here'cause I'm always ready I won't let you outta my sight (I'll be ready) I'll be ready (Whenever you fear) oh don't you fear (I'll be ready) Forever and always, I'm always here Forever and always, I'm always here
