

Vicious Circles

[Aaron Lewis](#)

If I could walk on water like Jesus did before
If I knew all the answers to keep you coming back for more
If I could paint a picture and then cut off my own ear
If I chose all the right colors would this just disappear? Because we're running in vicious circles
Until we're dizzy with disdain
and there's miles and miles between us
Yet we still remain So if I could write a poem and find the perfect words
and then put them all in music just so my voice gets heard
Because we're running in vicious circles
Until we're dizzy with disdain
and there's miles and miles between us
Yet we still remain So if I could walk on water like Jesus did before
and if I knew all the answers, I'd keep you coming back for more Because we're running in
vicious circles
Until we're dizzy with disdain
and there's miles and miles between us
and yet we still remain
We're running in vicious circles
Until we're dizzy with disdain
and there's miles and miles between us
Yet we still remain Yet we still remain
