

GO! (Switch Remix) [feat. Karen O] [Bonus Track]

Santigold

People want my power and they want my station
Stormed my winter palace but they couldn't take it
All the way to Paris, run my reputation
Try to pull my status but they couldn't fake itHey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, heyTrying to pull a full-on, your guys won't go
Running, checking out your ass, oh no
Man, looking for your ticket, now let's all go
Party's in a minute but your guys won't goMan, you look on, you look on your bracelet
But I'm too gone, I'm too gone, that ass, oh no
When you get on, you get on, you shake it
Man, you took on, you took on too much, don't blow
People want my power and they want my station
Stormed my winter palace but they couldn't take it
All the way to Paris, run my reputation
Try to pull my status but they couldn't fake itHey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, heyCan I get a witness? A closer look
Everybody itching for a throne to throw
And you could be the widget to my turbo
Better see your status when I go soloDo you forget the, forget the basics?
On a go long, a go long, you must go search
And it's too far, it's too far the bases
But you're slipping, you're sliding, can make it go
People want my power and they want my station
Stormed my winter palace but they couldn't take it
All the way to Paris, run my reputation
Try to pull my status but they couldn't fake itHey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, heyHow hard we found another instrument to crash you
Crash you, crash you
I need another instrument to crash you
Crash you, crash you, I need, crash youHa, ha, crash you
Ha, ha, crash you
Ha, ha, crash youPeople want my power and they want my station
Stormed my winter palace but they couldn't take it
All the way to Paris, run my reputation

Try to pull my status but they couldn't fake it
Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey
