

# Color Bars

[Elliott Smith](#)

I see color bars  
When I come  
Sgt. Rock broke the key off in the lock  
To where I come from Sir, no sir, we have no power in the air  
The battle's on the ground  
Laying low again  
High on the sound Bruno S. is a  
Man to me  
You're just some dude with a stilted attitude  
That you learned from TV You'll undo, but I'll be connecting everything  
The traffic in my town  
Riding high again  
High on the sound  
Everyone wants me to ride into the sun  
But I ain't gonna go down  
Laying low again  
High on the sound
