

Breath

Breaking Benjamin

I see nothing in your eyes
And the more I see the less I like
Is it over yet?
In my head
I know nothing of your kind
And I won't reveal your evil mind
Is it over yet?
I can't win So sacrifice yourself
And let me have what's left
I know that I can find
The fire in your eyes
I'm going all the way
Get away please
You take the breath right out of me
You left a hole where my heart should be
You got to fight just to make it through
'Cause I will be the death of you This will be all over soon
Pour the salt into the open wound
Is it over yet?
Let me in So sacrifice yourself
And let me have what's left
I know that I can find
The fire in your eyes
I'm going all the way
Get away please You take the breath right out of me
You left a hole where my heart should be
You got to fight just to make it through
'Cause I will be the death of you
I'm waiting
I'm praying
Realize
Start hating
You take the breath right out of me
You left a hole where my heart should be
You got to fight just to make it through
'Cause I will be the death of you
