

Again We Rise

Lamb of God

RIIIISEEEEE!!!

Store-bought attitude and spit

A sugar coated piece of shit

An instant rebel, just add greed

Another useless commodity

Broken glass and a broken jaw

Lies are told in a southern drawl

Poor-house poverty's your schtick
The real thing would kill you quick
RIIIISEEEEE! AGAIN WE

WILL RISE!!

RIIIIIISEEEEE! AGAIN WE WILL RISE!!

Blood and fire used to fill the night

Burnt and drowned by our very lives

You missed a sinking boat by years

Dollar signs, crocodile tears

It's over now and long has been

Those days are gone won't come again

Another name crossed off the list
The real thing would kill you quick

RIIIISEEEEE!!! AGAIN WE WILL RISE!!

RIIIISEEEEE!!! AGAIN WE WILL RISE!!

There's nothing for you to fight against
You're so unreal it's evident

You'll never be one of our kind

This ain't yours, fuck you don't try

This ain't yours, fuck you don't try

This ain't yours, fuck you don't try

This ain't yours, fuck you don't try

This ain't yours, fuck you don't try
This is never yours, fuck you don't try!!

This bridge was burnt before you could cross

You reap the benefits of what's lost

Go home son, hang your costume up

A goddamn insult to the rest of us

A thousand-yard state across the south

A full belly and a lying mouth

Momma's boy plays heretic

The real thing would kill you quick

RIIIISEEEEE! AGAIN WE WILL RISE!

RIIIISEEEEE!! AGAIN WE WILL RISE!!

There's nothing for you to fight against

You're so unreal it's evident

You'll never be one of our kind

This ain't yours, fuck you don't try

RIIIISEEEEE! Fuck you, don't even try

RIIIIIISEEEEE! Fuck you, your time is nigh

RIIIEEE!! Fuck you, I've had enough
RIIIEEE!! Fuck you, your time is up
RIIIEEE! Fuck you, don't even try
RIIIEEE! Fuck you, your time is nigh
RIIIEEE!! Fuck you, I've had enough
RIIIEEE!! Fuck you, your time is up
