

# Chinese Translation

M. Ward

I sailed a wild, wild sea  
climbed up a tall, tall mountain  
I met an old, old man  
beneath a weeping willow tree  
He said now if you got some questions  
go and lay them at my feet  
but my time here is brief  
so you'll have to pick just three And I said  
What do you do with the pieces of a broken heart  
and how can a man like me remain in the light  
and if life is really as short as they say  
then why is the night so long  
and then the sun went down  
and he sang for me this song  
See I once was a young fool like you  
afraid to do the things  
that I knew I had to do  
So I played an escapade just like you  
I played an escapade just like you  
I sailed a wild, wild sea  
climbed up a tall, tall mountain  
I met an old, old man  
he sat beneath a sapling tree  
He said now if you got some questions  
go and lay them at my feet  
but my time here is brief  
so you'll have to pick just three  
And I said  
What do you do with the pieces of a broken heart  
and how can a man like me remain in the light  
and if life is really as short as they say  
then why is the night so long  
and then the sun went down  
and he played for me this song
