

Lay With You (feat. Faith Evans)

El DeBarge & Faith Evans

Oh baby! Ahhh baby oh yeah
Just wanna lay right here with you
Baby I just wanna lay with you! I know you have work,
But I would love for you to stay with me,
For a little while longer!
I'm asking a lot but I don't want you to go away,
Cause I can't get you out of my mind, girl!
I could just look at you,
All day long,
Your beautiful smile I just
Can't go wrong!
If only you didn't have to leave,
You could relax and chill with me.
Let's not leave the house today,
I just wanna lay with you, (with your body close to mine)
Room service will be on their way,
I just wanna lay with you,
Can't get enough of it girl! Oh, baby,
Making it hard for me to leave!
Wish I didn't have to go,
So next time I'm around let's hope it will rain,
So we could just stay in.
Cause I just wanna lay with you!
I could just look at you
All day long,
Your beautiful smile I just
Can't go wrong
If only you didn't have to leave,
We could relax and just chill in these sheets
Let's not leave the house today,
I just wanna lay with you, a huh (with your body close to mine)
Room service will be on the way,
I just wanna lay with you,
Can't get enough of it girl! Oooooo, one night with you is like Heaven! Like Heaven
I don't wanna go from here, Oh, baby
Kissing your neck while you're sleeping, Sleep
Laying with me! Let's not leave the house today,
I just wanna lay with you, baby I just wanna lay, yeah baby
Room service will be on the way,
I just wanna lay with you,
can I can I can I lay babe
Let's not leave the house today,

I just wanna lay with you, I just wanna lay with ya baby.
baby I just wanna lay with youOoooooo, just wanna lay right here with you
ooooooo, just wanna lay right here with you
ooooooo, just wanna lay right here with you
ooooooo, just wanna lay right here with you
