

# Cake

Melanie Martinez

Your skin is warm like an oven,  
your kiss is sugary sweet  
Your fingers feel like cotton when you put your arms around me  
I feel like I'm just missing something whenever you leave  
You've got all the ingredients  
except you loving me  
And respectfully I'm not a piece of cake for you to just discard  
While you walk away with the frosting of my heart  
So I'm taking back what's mine, you'll miss  
The slice of heaven that I gave to you last night  
You smell just like vanilla, you taste like buttercream  
You're filling up my senses with empty calories  
I feel like I'm just missing something whenever you leave  
You've got all the ingredients except you needing me  
So respectfully I'm not a piece of cake for you to just discard  
While you walk away with the frosting of my heart  
So I'm taking back what's mine, you'll miss  
The slice of heaven that I gave to you last night If I am just a piece of cake  
I am just a piece of cake (cake)  
Then, you're just a piece of meat  
You're just a piece of meat to me  
If I am just a piece of cake  
I am just a piece of cake (cake)  
Then, you're just a piece of meat  
You're just a piece of meat to me  
I'm not a piece of cake for you to just discard  
While you walk away with the frosting of my heart  
So I'm taking back what's mine, you'll miss  
The slice of heaven that I gave to you last night  
The slice of heaven that I gave  
The slice of heaven that I gave to you  
The slice of heaven that I gave to you last night
