

# Don't Panic

## French Montana

Don't panic, nigga don't panic  
Don't panic, nigga don't panic Shorty fell in love with a hustler  
Man I took her from a buster  
Niggas keep talkin' like they know something  
I slide on your bitch like she on something  
Don't panic, don't panic  
We just getting started nigga don't panic  
Real niggas getting cake  
Watch the fake niggas hate  
Don't panic, don't panic  
We just getting started nigga don't panic  
Don't panic, don't panic We just getting started nigga don't panic  
Talking fish scales like a whole salmon  
See you fuck niggas from four planets  
Just getting started nigga don't panic  
If you a star, I'm a whole planet  
Acting like she won't get it  
Have her run through the time like Jerome Bettis  
You don't want it, don't look for it  
Have your bitch on a surfboard, surfboard, surfboard  
If you want this money, gotta work for it Puff, puff pass with your lookin' ass  
Bust it wide open, make it nasty Shawty fell in love with a hustler  
Man I took her from a buster  
Niggas keep talkin' like they know something  
I slide on your bitch like she on something  
Don't panic, don't panic  
We just getting started nigga don't panic  
Real niggas getting cake  
Watch the fake niggas hate  
Don't panic, don't panic  
We just getting started nigga don't panic  
Don't panic, don't panic  
We just getting started nigga don't panic I won't let up, sippin' that Ciroc, I'm a rebel  
Real bitches gon' wait on me, fake bitches gon' skate on me  
Real bitches getting cake, fake bitches gon' hate  
She a model on the Gram  
Getting swallowed was the plan This young thug need four bitches  
Take her to the crib take no pictures  
Ass fat, let me get up on it  
Bounce back early in the morning Shawty fell in love with a hustler  
Man I took her from a buster  
Niggas keep talkin' like they know something

I slide on your bitch like she on something  
Don't panic, don't panic  
We just getting started nigga don't panic  
Real niggas getting cake Watch the fake niggas hate Don't panic, don't panic  
We just getting started nigga don't panic  
Don't panic, don't panic  
We just getting started nigga don't panic Don't panic, nigga don't panic, don't panic Shawty fell  
in love with a hustler  
Man I took her from a buster  
Niggas keep talkin' like they know something
