

# New Modern Love

## Halestorm

I've got a forbidden love  
I'm not giving it up  
Not giving it up  
I've got a new modern love  
I'm not giving it up  
Not giving it up I won't pretend that I don't feel  
The way I feel  
I can't forget the taste of something that's real  
Step into my closet and maybe you'll find  
Something that'll scare you  
Something that you like  
Your old familiar logic is poison on your lips  
It's nothing in the water  
That's just the way it is  
I've got a forbidden love  
I'm not giving it up  
Not giving it up  
I've got an uncommon love  
I'm not giving it up  
Not giving it up  
I don't care if you don't want it  
'Cause I, I got it  
I don't care if you don't get it  
'Cause I, I still want it  
I've got a new modern love  
I'm not giving it up  
Not giving it up, no  
You can't rewire these circuits any other way  
Yeah, you can twist the signal  
The message is the same  
Step out of your bubble and  
Maybe you will find  
Something that'll save you  
Something that you like  
Your old familiar logic is poison on your lips  
There's nothing in the water  
That's just the way it is Step into my closet and maybe you will find  
Something that'll scare you  
Something that you like  
There's something that you like  
There's something that you like I don't care if you don't want it  
'Cause I, I got it

I don't care if you don't get it  
'Cause I, I still want it  
I've got a new modern love  
I'm not giving it up  
Not giving it up, noNot giving it up  
Not giving it up, no  
I'm not giving it up  
Not giving it up, no
