

# Old Habits Die Hard

Mick Jagger & Dave Stewart

I thought I myself free  
You see I bounce back quicker than most  
But I'm half delirious, is too mysterious  
You walk through my walls like a ghost  
And I take everyday at a time  
I'm proud as a lion in his lair  
Now there's no denying it, a note to crying it  
Your all tangled up in my head  
Old habits die hard  
And old soldiers just fade away  
Old habits die hard  
Harder than November rain  
Old habits die hard  
And old soldiers just fade away  
Old habits die hard  
Hard enough to feel the pain  
We haven't spoken in months  
You see I've been counting the days  
I dream of such humanities, such insanities  
I'm lost like that kid and I'm late  
But I've never taken your calls  
You see, haven't no block on my phone  
I act like an addict, I just got to have it  
I never can leave it alone  
Old habits die hard  
And old soldiers just fade away  
Old habits die hard  
And harder than November rain  
Old habits die hard  
And old soldiers just fade away  
Old habits die hard  
Hard enough to feel the pain  
And I can't give you up  
Can't leave you alone  
And it's so hard, so hard  
And it's hard enough to feel the pain  
Old habits die hard  
Old habits die hard  
And harder than November rain  
Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
And hard enough to feel the pain  
Old habits die hard  
Old soldiers just fade away  
And old habits die hard
