

Set the World On Fire

[Britt Nicole](#)

I wanna set the world on fire
Until it's burning bright for You
It's everything that I desire
Can I be the one You use? I, I am small but
You, You are big enough
I, I am weak but
You, You are strong enough to Take my dreams
Come and give them wings
Lord with You
There's nothing I cannot do
Nothing I cannot do
I wanna feed the hungry children
And reach across the farthest land
And tell the broken there is healing
And mercy in the Father's hands I, I am small but
You, You are big enough
I, I am weak but
You, You are strong enough to Take my dreams
Come and give them wings
Lord with You
There's nothing I cannot do Take my dreams
Come and give them wings
Lord with You
There's nothing I cannot do
My hands, my feet
My everything
My life, my love
Lord, use me I wanna set the world on fire
Wanna set the world on fire, yeah Take my dreams
Come and give them wings
Lord with You
There's nothing I cannot do, no Take my dreams
Come and give them wings
'Cause Lord with You
There's nothing I can't do
Nothing I can't do I'm gonna set the world on fire
Set the world on fire
