Fumble

[Trey Songz](#)

Oh ooh, oh, yeah woah
We was so dumb in love, ah
Couldn't get enough, no
But I could've loved you so much better
And I can't believe you never walked outAnd it's not your fault, oh oohThat I fumbled your heart
Should've let go of my past for you
You did everything I asked of you
Traveled cross country if I asked you to
But I'm just bad for you
I fumbled your heart
I'm bad news, yeah, I'm just bad for you
(Fu-fumble, I fu-fumble) I'm bad news, ah
(I fu-fumble, I fu-fumble) I fumbled your heart
Girl, you used to feel
So bound in my arms
I wish we could touch some more (It's eating me alive)
I'm sitting there working on
This letter (Wanna put my feelings down)
The first line I write
I was wrong
So wrong, so wrong, so wrong, so wrongAnd it's not your fault, oh ooh
It's so wrong, it's so wrong, it's so wrongThat I fumbled your heart
Should've let go of my past for you, damn
You did everything I asked of you
Traveled cross country if I asked you to
But I'm just bad for you
I fumbled your heart
I'm bad news, yeah, I'm just bad for you, so bad for you
(Fu-fumble, I fu-fumble) I'm bad news, ah
(I fu-fumble, I fu-fumble) I fumbled your heart
It's all or nothing
If you my all or nothing
Well, I leave you with nothing
I'm sorry that I messed up girl
I really love you, really, really love you
Now that I know I love you
I'll never love another girl, woohAnd it's not your fault, no
OohThat I fumbled your heart
Should've let go of my past for you, damn
You did everything I asked of you
Traveled cross country if I asked you to

But I'm just bad for you
I fumbled your heart
I'm bad news, yeah, I'm just bad for you, so bad for you
(Fu-fumble, I fu-fumble) I'm bad news, ah
(I fu-fumble, I fu-fumble) I fumbled your heart
She said I ain't gonna change
Ever since the day we met
And her mama said the same
I dropped the bomb, I'm so ashamed
I'm bad news, real bad news, I fumbled your heart
