John P. Kee

We're moving higher to our promise our destiny
No one can hinder what the Lord God has stored for me
His promises are sure don't give up you must endure
Keep reaching and believe the kingdom is yours for sure I'm pressed toward the mark of the
high calling in Jesus name
Surely goodness and mercy shall take me higher Let's go higher, higher, higher. Let's go higher,
higher in God (level next)
Let's go higher, higher, higher. Let's go higher, higher in God. We're moving higher to our
promise our destiny
No one can hinder what the Lord God has stored for me
His promises are sure don't give up you must endure
Keep reaching and believe the kingdom is yours for sure I'm pressed toward the mark of the
high calling in Jesus name
Surely goodness and mercy shall take me higher Let's go higher, higher, higher. Let's go higher,
higher in God (level next)
Let's go higher, higher, higher. Let's go higher, higher in God.
I'm pressed toward the mark of the high calling in Jesus name
Surely goodness and mercy shall take me higher
Let's go higher, higher, higher. Let's go higher, higher in God (level next)
Let's go higher, higher, higher. Let's go higher, higher in God. 6x
