## Roy Woods

[Chorus: dvn & Roy Woods]

Remember when I, I, I, I, I, I, I (told you)

Everytime I, I, I, I, I, I, I (told you)

You don't listen every time I try to, try to [Verse 1: Roy Woods]

I don't need love, I know I'll probably fuck it up, oh, ayy (told you)

Everytime I, I, I, I, I, I, I (told you)

You don't listen every time I try to, try to [Verse 2: PnB Rock]

You don't listen when I try to tell you things

Like I ain't lookin' for love, no, girl I met you in the club

We was just high off some drugs

I hit you off in the bathroom

Then we took it to the backseat

You want that good in the taxi

Fall in love wasn't in the plan now

Stand down, stand down

Trippin', I don't even understand now

Fall in love wasn't in the plan, no

Give you my heart, I can't, no

I'm too busy chasin' these bands

I'm too busy chasin' the lean with the Xans

Girl I thought I told you, I can't talk if I'm sober
