

Gypsy Woman (feat. Sunnyland Slim)

Muddy Waters

recording 1947, Chicago
You know the gypsy woman told me that you your mother's bad-luck
child

You know the gypsy woman told me that you your mother's bad-luck child
Well, you're having a good time now, but that'll be trouble after while
Well, you know I went to
a gypsy woman to have my fortune told

She say, "You better go back home son and peep through your, your key hole"

You know the gypsy woman told me that you your mother's bad-luck child
Well, you're having a good time now, but that'll be trouble after while
Well, now, you know I
went back home, I took the gypsy woman as she said

I peeped through my keyhole and there was another man laying in my bed

You know the gypsy woman told me that you your mother's bad-luck child

Well, you're having a good time now, but that'll be trouble after while
