

One Foot In the Grave

Electric Mary

Taking giving nothing back I waited to you smiled and realised
I'm on my way to who knows where
Thinking back I'll never know I've got one foot in the grave
And I ain't going down for you Renting my space as a god you tied up all my dreams and
realised
I'm on my way to who knows where
Look around you'll never know I've got one foot in the grave
And I ain't going down for you Never gonna give, never gonna give...
I've got one foot in the grave
And I ain't going down
One foot in the grave
And I ain't going down
One foot in the grave
And I ain't going down for you
