

# Round & Round

## New Order

I just can't help thinking  
What you've done to me  
You built a wall of love  
And tore it right down in front of me  
And you think you know what's going on  
You keep telling me that I am wrong  
I don't care about what you do  
'Cause if you mess with me, I'll get rid of you  
The picture you see is no portrait of me  
It's too real to be shown to someone, I don't know  
And it's driving me wild, it makes me act like a child  
You think I am crazy, but what can I do?  
(What can I do?)  
You waste your time, like my money  
It ain't so funny, but it's true  
(Don't waste my money, baby)  
Now you can't tell me what's going on  
And that I am weak while you are strong  
What is it you need, that makes your heart bleed  
Do you really know? 'Cause it doesn't show  
The picture you see is no portrait of me  
It's too real to be shown to someone, I don't know  
And it's driving me wild, it makes me act like a child  
Now you can't tell me what's going on  
And that I am weak while you are strong  
What is it you need, that makes your heart bleed  
Do you really know? 'Cause it doesn't show  
The picture you see is no portrait of me  
It's too real to be shown to someone, I don't know  
And it's driving me wild, it makes me act like a child  
It makes me act like a child, it makes me act like a child
