

Only Women Bleed

Alice Cooper

Man got his woman to take his seed
He got the power - oh
She got the need
She spends her life through
pleasing up her man
She feeds him dinner or anything she can
She cries alone at night too often
He smokes and drinks and don't come home at all
Only women bleed
Only women bleed
Man makes your hair gray
He's your life's mistake
All you're really lookin' for an even break
He lies right at you
You know you hate this game
Slaps you once in a while
and you live and love in pain
She cries alone at night too often
He smokes and drinks and don't come home at all
Only women bleed
Man got his woman to take his seed
He got the power - oh
She got the need
She spends her life through
pleasing up her man
She feeds him dinner or anything she can
She cries alone at night too often
He smokes and drinks and don't come home at all
Only women bleed
Only women bleed
Black eyes all of the time
"Don't spend a dime"
"Clean up this grime"
And you there down on your knees begging me please
Come watch me bleed
Only women bleed

Only women bleed
