

# As Long as You Love Me

## Backstreet Boys

As long as you love me  
Nick: Although loneliness has always been a friend of mine  
I'm leavin' my life in your hands  
People say I'm crazy and that I am blind  
Risking it all in glance  
And how you got me blind is still a mystery  
Nick and Brian: I can't get you out of my head  
Nick: Don't care what is written in your history  
As long as you're here with me  
All: I don't care who you are  
Where you're from  
What you did  
As long as you love me  
Who you are  
Where you're from  
Don't care what you did  
As long as you love me  
Brain: Every little thing that you have said and done  
Feels like it's deep within me  
Doesn't really matter if you're on the run  
It seems like we're meant to be  
I don't care who you are (who you are)  
Where you're from (where you're from)  
What you did  
As long as you love me (I don't know)  
Who you are (Who you are)  
Where you're from (Where you're from)  
Don't care what you did  
As long as you love me (yeah)  
Brain: I've tried to hide it so that no one knows  
But I guess it shows  
When you look into my eyes  
What you did and where you comin' from  
I don't care, as long as you love me, baby  
I don't care who you are (who you are)  
Where you're from (where you're from)  
What you did  
As long as you love me (I don't know)  
Who you are (Who you are)  
Where you're from (Where you're from)  
Don't care what you did (yeah)  
I don't care who you are (who you are)  
Where you're from (where you're from)  
What you did  
As long as you love me  
Who you are (Who you are)  
Where you're from (Where you're from)  
As long as you love me

Who you are  
As long as you love me  
What did you (I don't care)  
As long as you love me
