Move your hands up! Move your hands up! Come on Come on
Are you ready for this? Let's dance! Come on!
Just clap you hands!

Come on, do your dance, clap your hands! [x4] I know you feel the same, all my sexy ladies, do

Are you ready? Party people... come on come on here we go!
Just dance, make your body move... (x4)
I don't wanna stop, my body is so hot... Don't stop, that's my body movin'
I don't wanna stop, kiss me when I want it, take me to the top.
