

Burn My Shadow (Radio Slave Remix) [Bonus Track]

UNKLE

I have burned my tomorrows
And I stand inside today
At the edge of the future
And my dreams all fade away I have burned my tomorrows
And I stand inside today
At the edge of the future
And my dreams all fade away And burn my shadow away
And burn my shadow away
I faced my destroyer
I was ambushed by a lie
And you judged me once for falling
This wounded heart will rise And burn my shadow away
And burn my shadow away When I see the light
True love forever
When I see the light
True love forever
When I see the light
True love forever
When I see the light
True love forever
When I see the light
True love forever (burn my shadow)
When I see the light
True love forever
When I see the light
True love forever (burn my shadow)
When I see the light
True love forever (away) And burn my shadow away
And burn my shadow away Oh, how I loved you
