

# A Design for Life

## Manic Street Preachers

Libraries gave us power  
Then work came and made us free  
What price now for a shallow piece of dignity I wish I had a bottle  
Right here in my dirty face to wear the scars  
To show from where I came We don't talk about love we only want to get drunk  
And we are not allowed to spend  
As we are told that this is the end  
A design for life  
A design for life  
A design for life  
A design for life I wish I had a bottle  
Right here in my pretty face to wear the scars  
To show from where I came We don't talk about love we only want to get drunk  
And we are not allowed to spend  
As we are told that this is the end A design for life  
A design for life  
A design for life  
A design for life We don't talk about love we only want to get drunk  
And we are not allowed to spend  
As we are told that this is the end  
A design for life  
A design for life  
A design for life  
A design for...
