

Art

Chrisette Michele

Your talking to prince, youre tralking to beyonce, your talking to janelle monae
when youre talking to me youre talking to art

Your talking to Sting, youre tralking to Ozzie, your talking to Pharell and Frank
when youre talking to me youre talking to art

I'm aware of the mess I made yall

yeah yeah yeah

Im aware of the ego

go go

I aint stressed by the time I take yall

no no no

Its all apart of the show

show

So dont you worry about a thing man

dont you worry about a thing man

cuz Im good in the hood

no the fame aint the aim

Im cool in the streets

kill the news

drop the beat

Somedays I wish I was Ye or Drake yeah

yeah yeah yeah

Truth is I got a bit of both

both both

cuz I wasnt born with a funk to fake

Fuck fan fare for the folks

cuz I aint worried bout a thing man

no I aint worried about a thing man

cuz Im good in the hood

no the fame aint the aim

Im cool in the streets

kill the news

drop the beat

ooh

The fame The fame

The fame The fame

The fame The fame

The fame The fame

The fame The fame

The fame The fame

The fame The fame
The fame The fame
The art The art

oooooh

cuz I aint worried bout a thing man
no I aint worried about a thing man
cuz Im good in the hood
no the fame aint the aim
Im cool in the streets
kill the news
drop the beat

Your talking to prince, youre tralking to beyonce, your talking to janelle monae
when youre talking to me youre talking to art

Your talking to Sting, youre tralking to Ozzie, your talking to Pharell and Frank
when youre talking to me youre talking to art

Im cool in the streets
Im good in the hood
no the fame aint the aim
