

It's a Miracle

Barry Manilow

Wouldn't believe where I've been
The cities and towns I've been in
From Boston to Denver and every town in between
(everyone looks the same)The people they all look the same (yes the same)
Oh, only the names have been changed (just the names)
But now that I'm home again
I'll tell you what I believe
It's a miracle (miracle)A true blue spectacle the miracle come true
(whoa oh-oh-oh...)We're together baby I was going crazy
Till the miracle came through
(whoa oh-oh-oh...)
Now you're here and my arms are around you
And baby there'll be dancing in the street
For the miracle (miracle)
A true blue spectacle the miracle is you
(hoo hoo-hoo-hoo-hoo)
I never knew you looked so good
Oh, I never knew anyone couldI must have been crazy to ever have gone away
(almost forgot you babe)
I almost forgot what it's like (every night)
Oh, holding you near me at night (every night)But now that I'm home again
You know that I'm home to stay
'Cause it's a miracle (miracle)
A true blue spectacle a miracle come true(whoa oh-oh-oh...)
We're together baby I was going crazy
Till the miracle came through
(whoa oh-oh-oh...)
Now you're here and I'm feeling so good
And baby there'll be dancing in the street
For the miracle (miracle)A true blue spectacle the miracle is you
(hoo hoo-hoo-hoo-hoo)
Now you're here and my arms are around youAnd baby there'll be dancing in the street
Ha gonna be dancing in the street
Whoa oh-ohDancing in the street...
(dancing in the street)
Dancing dancing dancing (dancing in the street) dancing dancing in the street
(dancing in the street)
Dancing dancing dancing (dancing in the street) in the street...
For the miracle (miracle)
A true blue spectacle the miracle is you
(hoo miracle is you)
The miracle is you

(miracle is you)
The miracle is you...
(miracle is you)
