

# No Such Thing As Too Late

## Brandy

I know you're thinking I'd be tripping,  
Thinking I'd be playing, you'll be saying I'm into you.  
Just take a second, and listen  
Cause I ain't into lying, don't trust anybody,  
Maybe I ain't trying to kill my body so soon.  
Let me know you're worth it  
Do you deserve a chance to?  
To touch, to feel my love Cause ain't nobody perfect  
I don't need a surface  
Can you show me your love?  
And when it's time  
I won't even have to tell you so  
You'll see the stars are shinin the same  
So take your time  
Cause love ain't got nowhere to go  
It will be waiting there if we wait  
Cause there's no such thing as too late  
When you really love somebody you can wait  
Cause there's no such thing as too late Can tell me, I'd be afraid  
You're beyond saying, you ain't nothing like the other dudes  
And judging from my intuition yea yea yea yea  
You seem like somebody I could probly give myself to  
Not so soon Cause I want you to love me whenever you get that chance to  
To touch, feel my love  
Cause ain't nobody perfect  
I don't need a surface  
Can you show me your love? And when it's time  
I won't even have to tell you so  
You'll see the stars are shinin the same  
So take your time  
Cause love ain't got nowhere to go  
It will be waiting there if we wait  
Cause there's no such thing as too late  
When you really love somebody you can wait  
Cause there's no such thing as too late Listen to my heart and I'll listen to yours  
And if they say the same thing then I'll know it then  
But until then we should be patient  
Let's not start  
But when we start I promise you gon love me baby And when it's time  
I won't even have to tell you so  
You'll see the stars are shinin the same  
So take your time

Cause love ain't got nowhere to go  
It will be waiting there if we wait  
Cause there's no such thing as too late  
When you really love somebody you can wait  
(Don't You Think?)  
Cause there's no such thing as too late
