

Another

Ataxia

Nervous with good reason

Nervous with good reason

Nerv... Good...

Nervous with good reason from...

No no no no no no no...

No not not not not no nah...

No no...

No no no no no no no...

No no not much not what watch

Nervous with good reason what

Nervous with no good reason

Nervous with no good reason

No no no no no no no... How come you have another when you look any way any way?
How come you have another when you look any way any way? You make your way and we
know how powerful...

Spitting on your house, spit on your house, spit on your friends and...

Look... How come you have another when you look any way any way?

How come you have another when you look any way any way?

(Vocais Invertidos) Why?

What we mean is the first thing that we dream

The blood
