

# Use Ta Be My Girl

## The O'Jays

Good lovin'  
The girls got plenty good lovin'  
Ask me how I know and I'll tell you so  
She use ta be my girl  
I respect her when she was mine  
I used to neglect her  
She wanted more than I could give  
But as long as I live  
She'll be my girl  
She use ta be my girl  
She use ta be my girl  
She had a charming personality  
The girl was so right for me  
She's my girl  
And if I had the chance  
I know I would take her back  
As a matter of fact, right away like today  
Not only good lookin'  
The girl was so smart  
You can't beat her cookin'  
Ask me how I know and I'll tell you so  
She use ta be my girl Deep down inside I still love her  
I would place no one above her  
She's warm and sensitive  
For as long as I live  
She'll be my girl  
If I had the chance I'd take her back  
As a matter of fact right away, by today  
Good lovin', the girl's got plenty good lovin'  
Ask me how I know and I'll tell you so  
She use ta be my girl, my girl  
She use ta be, use ta be my girl  
She use ta be my girl  
She use ta be my girl
