

Just a Little Bit

[Maria Mena](#)

Just a little bit stronger
Just a little bit wiser
Just a little less needy And maybe I'd get there... Just a little bit pretty
Just a little more aware
Just a little bit thinner And maybe I'd get there... Clearly, clearly I remember
Hiking up my skirt
Asking for your time Clearly, clearly I remember
Nervous if ever confronted
And questioning myself
Oh perhaps, perhaps if I got better
Perhaps if I challenged myself
Perhaps if I was Just a little bit stronger
Just a little bit wiser
Just a little less needy And maybe I'd get there... Just a little bit pretty
Just a little more aware
Just a little bit thinner And maybe I'd get there... Clearly, clearly I remember
pulling up my shirt
Staring blank ahead Clearly, clearly I remember
Days of useless crying
Almost feeling dead
Oh perhaps, perhaps if I was smaller
Perhaps, I could control myself
Perhaps if I was Just a little bit stronger
Just a little bit wiser
Just a little less needy And maybe I'd get there... Just a little bit pretty
Just a little more aware
Just a little bit thinner And maybe I'd get there... Just a little bit stronger
Just a little bit wiser
Just a little less needy And maybe I'd get there... Just a little bit pretty
Just a little more aware
Just a little bit thinner And maybe I'd get there... oooooaaaah oooooaaahh
ooooaaaah oaaa'aaah Just a little bit pretty
Just a little more aware
Just a little bit thinner And maybe I'd get there...
