

# Original Sin

## Meat Loaf

I've been looking for an original sin  
One with a twist and a bit of a spin  
And since I've done all the old ones  
Till they've all been done in  
Now I'm just looking -  
Then I'm gone with the wind -  
Endlessly searching for an original sin  
You can dance forever, you got a fire in your feet  
But will it ever be enough? You know that it'll never be enough  
You can fly in never land and never need to sleep  
But will it ever be enough? You know that it'll never be enough  
It's not enough to make the nightmares go away  
It's not enough to make the tears run dry  
It's not enough to live a little better every day  
Everything that they taught us was nothing but lies  
Everything they brought us was nothing but bribes  
But it'll all be over now  
All I wanted was a piece of the night  
I never got an equal share  
When the stars are out of sight  
And the moon is down -  
The natives are so restless tonight  
I've been looking for an original sin  
One with a twist and a bit of a spin  
And since I've done all the old ones  
Till they've all been done in  
Now I'm just looking -  
Then I'm gone with the wind -  
Endlessly searching for an original sin  
You can lose yourself in pleasure 'til your body's going numb  
But will it ever be enough? You know that it'll never be enough  
You can always take whatever you conceivably could want  
But will it ever be enough? You know that it'll never be enough  
It's not enough to make the nightmares go away  
It's not enough to make the tears run dry  
It's not enough to live a little better every day  
Everything that they taught us was nothing but lies  
Everything that they brought us was nothing but bribes  
But the lies are over now  
All I wanted was a piece of the night  
It never had to get so dark  
When the stars are out of sight

And the moon is down -  
The natives are so restless tonight  
I've been looking for an original sin  
One with a twist and a bit of a spin  
And since I've done all the old ones  
Till they've all been done in  
Now I'm just looking -  
For an original sin  
I've been looking for the ultimate crime  
Infinite victims, infinitesimal time -  
And I'm so very guilty for no reason or rhyme  
So now I'm just looking  
And I'm killing some time -  
Endlessly searching for the ultimate crime  
I've been looking for an original sin  
One with a twist and a bit of a spin  
And since I've done all the old ones  
Till they've all been done in  
Now I'm just looking -  
Then I'm gone with the wind  
Endlessly searching for an original sin  
I'm applying for a license to thrill  
Going out on the edge, moving in for the kill  
They'll be hell to pay someday  
So put it all on the bill  
Cause we'll always be paying, and paying until  
We're beyond expiration, with a license to thrill  
I've been looking for an original sin
