

# Ride for You (Josh Harris Club Mix)

Danity Kane

Lately, I've been tryna fight whatever? s pulling us under  
It? s got a hold and really making me wonder  
What it takes to get through, I gotta stick with you, my babyBaby tell me, maybe I? m foolishly  
overreacting  
But being without you I can? t imagine  
It? s just too close to the heart  
And I won? t stand it, if we're broken apartDo you hear me?  
Baby ya gotta believe in the things that make you and me win together  
Don? t you throw in the towel  
I? m keeping my promise to you, I got ya back nowWhen the chips are down  
And it seems like it? s so hard for you to move ahead  
Just know that I'm by your side, there ain't no ifs, buts or maybes  
I? m gonna stay down and ride for you baby  
We? ve been cutting it close with the backwards and forwards  
It? s rocking the boat, we gotta get control of this  
Let's take it back to three years ago  
When you said that we could make it through whatever, everAnd to me it sounded like you  
meant forever, ever  
Leaving was not an option, baby, never, never  
Now don't you believe in a love that's worth a fight  
In you is everything that I'm missing, so give us a chanceDo you hear me?  
Baby ya gotta believe in the things that make you and me win together  
Don? t you throw in the towel  
I? m keeping my promise to you, I got ya back nowWhen the chips are down  
And it seems like it? s so hard for you to move ahead  
Just know that I'm by your side, there ain't no ifs, buts or maybes  
I? m gonna stay down and ride for you baby  
Don? t you dare tell me we gotta let it go  
We been on top for too long just to let it go under  
I don't wanna hear that, I just can't hear thatAnd know wherever you wanna take me I'll go  
I been with you for too long to start over with another  
I know that you hear me, just tell me you hear meDo you hear me?  
Baby ya gotta believe in the things that make you and me win together  
Don? t you throw in the towel  
I? m keeping my promise to you, I got ya back nowWhen the chips are down  
And it seems like it? s so hard for you to move ahead  
Just know that I'm by your side, there ain't no ifs, buts or maybes  
I? m gonna stay down and ride for you babyI? m gonna stay down and ride for you baby  
I? m gonna stay down and ride for you baby  
I? m gonna stay down and ride for you baby
