

Blame It On the Rain

He Is We

You, got me caught in all this mess
I guess, we can blame it on the rain
My pain is knowing I can't have you
I can't have you Tell me, does she look at you the way I do?
Try to understand the words you say
and the way you move
Does she get the same big rush
When you go in for a hug and your cheeks brush?
Tell me, am I crazy or is this more than a crush?
I catch my breath
The one you took the moment you entered the room
My heart, it breaks at the thought of her holding you Does she look at you the way I do?
Try to understand the words you say
and the way you move
Does she get the same big rush
When you go in for a hug and your cheeks brush?
Tell me, am I crazy or is this more than a crush? (Is it more than a crush?)
Maybe I'm alone in this
But I find peace and solitude knowing
if I had but just one kiss, this whole room would be glowing
We'd be glowing, we'd be glowing
Tell me, does she look at you the way I do?
Try to understand the words you say
and the way you move
Does she get the same big rush
When you go in for a hug and your cheeks brush?
Tell me, am I crazy or is this more than a crush?
More than a crush
