

# Scum

## Depeche Mode

Hey scum, hey scum  
What have you ever done for anyone?  
Hey scum, hey scum  
What are you gonna do when karma comes A-calling, and you're falling  
And there's nowhere left to run  
And you're weeping, and not sleeping  
And you're begging for your gun Pull the trigger  
Hey scum, hey scum  
What have you ever done for anyone?  
Hey scum, hey scum  
What are you doing judgement time has come? You kneel, and you squeal  
And you're looking for someone  
To bear witness to your goodness  
You can't even find your son Pull the trigger  
Pull the trigger You wouldn't even offer up your crumbs  
To the dying, and the crying  
You're dead inside, you're numb  
You're hollow, and shallow  
Your empty life is done  
Pull the trigger  
Pull the trigger  
(Hey scum, hey scum)  
Pull the trigger  
(Hey scum, hey scum)  
Pull the trigger
